Christopher Sherwin Reel 2:10 Shot Breakdown

1. One Shout Open
- concept, storyboard, art direction, character design, modeling, rigging, texturing, animation, direction, rendering, compositing, title design
2. Singing In The Rain
- modeling, rigging, texturing, animation, lighting, cloth simulation, direction, rendering, compositing
3. Izotumabab - Cytotoxins
- modeling, lighting, rigging, texturing, animation, particle simulation, direction, rendering, compositing
4. One Vote 2012 Package
- concept, storyboard, art direction, modeling, texturing, lighting, rigging, animation, direction, rendering, compositing, title design
5. Power Up Open
- concept, storyboard, art direction, modeling, texturing, lighting, animation, direction, rendering, compositing, title design
- 6-9. Izotumabab - Apoptosis
- modeling, lighting, rigging, texturing, animation, cloth simulation, fluid simulation, direction, rendering, compositing
10. Pop Quiz Open Package
- concept, art direction, animation, particle simulation, lighting, compositing, title design
11. The Day America Changed Package
- concept, storyboard, art direction, modeling, lighting, texturing, direction, rendering, compositing, title design

12. Daniel Radcliffe Celebrity Package - Puppet Theater
- concept, art direction, texturing, puppet rigging, animation, lighting, compositing
13. Lipitor Heart - CV Pipeline
- modeling, rigging, texturing, animation, lighting, direction, rendering, compositing, type design, compositing
14. Singing In The Rain
- modeling, rigging, texturing, animation, lighting, cloth simulation, direction, rendering, compositing
15. Storm - Camera Watch
- concept, story-board, modeling, rigging, texturing, animation, rendering, compositing, type design
16. Arestin - Don't Wait Campaign
- modeling, texturing, lighting, animation, direction, rendering, compositing
17. Pfizer Next-Gen Cancer Drugs - BCR-ABL Docking
- story-boarding, modeling, rigging, lighting, animation, direction, rendering, type design, compositing
18. Trade In Treasures Package
- concept, art direction, animation, direction, compositing, title design
- 19-20. Pfizer Next-Gen Cancer Drugs - SRC Receptor
- story-boarding, modeling, rigging, lighting, particle simulation, animation, direction, rendering, type design, compositing
21. Izotumabab - DNA Slicing
- modeling, rigging, lighting, texturing, direction, rendering, compositing
22. Cellular Mitosis
- modeling, rigging, animation, particle simulation, lighting, rendering, compositing
23. Singing In The Rain
- modeling, rigging, texturing, animation, lighting, cloth simulation, direction, rendering, compositing
